# EZ™ Box and EZ™ Trim Panelboards

Eaton's new EZ Box and EZ Trim represent the first significant change in panelboard box and trim designs in more than a half-century. The EZ Box and EZ Trim have been designed for faster, more secure and safer installations. The new EZ Box and EZ Trim are provided standard for Cutler-Hammer® Pow-R-Line® 1a and Pow-R-Line 2a lighting panelboards, our Pow-R-Line 3a mid-range panelboard, and Pow-R-Command™ lighting panelboard.

## Features

- Virtually eliminates sharp edges.
- Trim installs in seconds rather than minutes.
- Door-in-door standard.
- Ability to adjust flush box to wall irregularities.
- Trim installs without the need for tools.
- No exposed hardware (because there is none).
- Multipoint door latch over breakers.
- Available in flush mount and surface mount.
- Patent-pending design.

## Standards

When used with Eaton's Cutler-Hammer panelboard chassis, EZ Boxes and EZ Trims meet the following applicable industry standards:

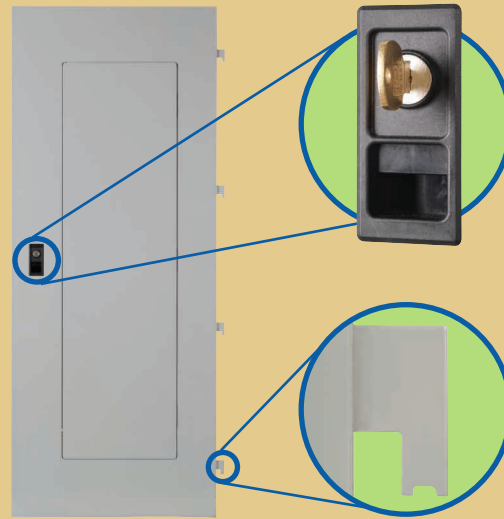

- UL® 50 listed.
- NEMA® Standard PB1.
- Federal specifications.
- National Electrical Code®.

**For more information, please contact your local Eaton sales office, authorized distributor, or call 1-800-525-2000.**

## EZ Trim

### No Tools Required!

- Installs in seconds.
- Concealed hardware.
- Heavy-duty lock with keying options.

**New Lock and Stand-Alone Trim and Bottom Flange Hanger with Notch**

- Multi-point door catch over breakers.
- Secure and safer installation.
- Clean appearance.

**Trim Installed with Door Open and Trim Sliding Latch**

## EZ Box

### All Flanges Adjustable Outward up to 3/4 Inch to Correct Wall Imperfections!

- Painted rounds edges, eliminating sharp edges which makes installation safer.
- 20-inch width and available in 30, 36, 42, 48, 60, 72 and 90-inch heights.
